

**Tullett Prebon Information Announces Multi Year Agreement With Indian Data Vendor TickerPlant Limited.**

**Mumbai, India, 07 September 2009** – Tullett Prebon Information, one of the leading global suppliers of over-the-counter financial data, has signed a multi year agreement with TickerPlant Limited (“TickerPlant”), one of India’s leading providers of critical and time-sensitive information for the financial community.

Tullett Prebon Information will supply TickerPlant with a range of money market, interest rate and bond data, including spot and forward FX. It will also provide data on non-deliverable forwards, FX Options, interest rate swaps and Government-issued bonds for Indian and global markets.

This high quality, independent data will be made available to TickerPlant’s client base via its financial terminal service, MarketView™, as well as its mobile service MarketView™ Mobile. MarketView™ is used by professional investors in banks, securities firms and other financial institutions, leading corporates, as well as by retail investors. MarketView™ delivers real time streaming exchange feeds for equities, commodities, forex and money markets along with OTC contributed quotes.

Tullett Prebon Information works with financial institutions and service providers, including major global and domestic data vendors for the provision of independent OTC fixed income and derivative pricing. This distribution agreement with TickerPlant highlights Tullett Prebon Information’s on-going commitment to the fast growing Indian financial markets.

Andrew Reeve, Regional Manager Asia Pacific at Tullett Prebon Information, said: “We are delighted to be chosen by TickerPlant to assist them in providing high quality, independent financial information to their customer base. Providing data to the Indian market and further increasing our footprint in the Asia-Pacific region is a major focus for Tullett Prebon’s information business and we hope to continue building on our successes in this area.”

Commenting on the development, **Mr. V. Hariharan, CEO, TickerPlant**, said, “The integration of Tullett Prebon’s OTC data in TickerPlant’s MarketView™ product is a significant milestone. TickerPlant’s digital broadcasting infrastructure, strategy of micro-segmentation of the market, and presentation of data streams in the most innovative user friendly formats has created a new generation of direct digital distribution platform. This will facilitate new content integration in the most proven product and address the latent demand as well as reach out to a larger segment of the markets.”
