

## News Release

# Tullett Prebon voted Best Overall Institution in Energy Risk Commodity Rankings

**London, New York, Singapore – 7 March 2018:** Tullett Prebon, part of TP ICAP, the world's largest interdealer broker, today announces that it has been voted the Best Overall Institution by Energy Risk magazine in its 2018 Commodity Rankings.

The Energy Risk Commodity Rankings rate dealers, brokers and research providers in the global commodity derivatives market. This year Energy Risk received over 1000 votes from banks, brokers, end users and traders worldwide.

In addition to Best Overall Institution, Tullett Prebon was also voted number one in the following categories:

- Natural Gas Broker
- Power Broker
- Energy Broker
- Zeebrugge (Belgium) Broker
- UK Broker
- Germany Broker
- Nordpool – Broker
- Netherlands – Broker
- Belgium – Broker
- Spain – Broker
- Weather – Broker

**Kevin McDermott, Managing Director, Energy and Commodities, said:** "We are delighted that Tullett Prebon has been awarded the Best Overall Institution for 2018. The business has undergone huge changes in the past 12 months, so to be recognised for maintaining our high standards is a great achievement"

**ENDS**
