

Tullett Prebon named “*Interest Rates Broker of the Year*” and “*SEF of the Year*” at GlobalCapital’s 2015 awards ceremony

London, New York, Singapore – 25 September 2015: Tullett Prebon, one of the world’s leading interdealer brokers (IDB), was named *Interest Rates Broker of the Year* and *SEF of the Year* in the 2015 GlobalCapital awards.

The wins for Tullett came at an awards ceremony held at London’s Banking Hall last night.

The awards recognise those companies, or individual platforms and products that stand out as having made an impact on the global derivatives market over the last 12 months. The GlobalCapital team interviewed senior sellside officials to determine the interdealer broker award categories and nominees. The winners of the IDB award categories were then decided by GlobalCapital’s editorial board, who selected the winners based on a number of factors including innovation, market impact, performance, client feedback and uniqueness of approach.

Angus Wink, CEO EMEA Tullett Prebon, commented:

"We are delighted that Tullett Prebon has emerged victorious in these two prestigious categories. These awards represent an endorsement of the strength of our offer and our ability to continue to meet the needs of our clients in a changing environment. I would like to congratulate all my colleagues whose hard work has led to this success."
